FOREWORD

The annual publication of the Cambridge Directory, No. 57 of the regular series is herewith presented to our patrons and the general public, believing it will prove as useful in the future as in the past.

The Publishers wish to thank all who in any way aided in this work, especially the live business men whose cards are so clearly represented in this issue, and are deserving a liberal patronage.

The many Householders who have so generously added their names to our subscription list will save, in various ways, four fold the expense without borrowing or consulting their neighbors directory.

Respectfully,

W. A. GREENOUGH & CO.

INSTRUCTIONS TO KEY HOLDERS

Alarms to be given from the box nearest the location of the fire

Do not give an alarm for a fire seen at a distance, unless assistance is called for

To give an alarm, open the door, pull the hook to the bottom of the slot once, and let go Each box contains a small bell, which, if heard before you pull indicates that an alarm has been previously given, and by listening at the box, you will learn the number of box from which the alarm is given, but in no case will you pull the hook while the alarm is striking After giving the alarm, remain at the box so as to direct the firemen to the fire Be sure that you lock the box before leaving it

Citizens are requested to inform, themselves where keys to the signal boxes are kept, signs suitably inscribed being placed over each box giving the requisite information

First alarm will be given by striking two or more rounds of box number

Second alarm will be given by striking three blows followed by box number

Third alarm will be given by striking three blows twice on gongs, bells, and whistles

General alarm will be given by striking tree blows three times on gongs, bells and whistles

GET READY

for auto mishaps that come so frequently and unexpectedly. If someone should

SUE you for personal injuries — trouble and expense is shouldered by liability insurance. If car and equipment

BURN, are damaged in transportation or stolen—a fire policy makes good. If a collision or tip over should

BATTER you up—surgeon's fees, weekly indemnity, etc., wife covered, too—that's accident insurance.

INSURANCE

¶ I am agent of The Travelers Ins. Co. of Hartford; also a general broker; and handle all the best kinds of life, liability, accident and health policies. Let me quote you facts and rates before placing your insurance. Send appointment by phone or mail.
